SWAN PROGRAM

PROGRAMS AND SERVICES

Mazi is a contract holder with the PA Statewide Adoption and Permanency Network (SWAN); a partnership among the Department of Human Services (DHS), the Pennsylvania Adoption Exchange, public and private adoption agencies, organizations, advocates, judges, the legal community, and foster and adoptive parents. This allows Mazi to work with and approve families for SWAN ARFPs whom are actively seeking growth for their family through foster care adoption.

PRIVATE PROGRAM

Mazi's license within the Commonwealth of PA allows us to support, complete and approve Home Studies for families seeking Domestic and International Adoption. Mazi will work with your selected primary provider (placing) agency to ensure that your Home Study content and trainings reflect all needed information for your specific adoption process. Mazi additionally can and will support post-placement and post-adoption supervision/reporting based on your specific adoption process. "

POST-PERMANENCY

PROGRAMS AND SERVICES

Post-permanency services are a family-driven, no-cost offering through SWAN. They are used to support the child/youth and family after an adoption/permanency has taken place. Adoptive (via foster care, domestic or international), Permanent Legal Custodianship, or formal Kinship families within Pennsylvania are eligible for these services. Families begin the self-referral process for Post-Permanency Services by calling the SWAN Helpline at 1-800-585-SWAN (7926).

COLLECTIVE

With a primary focus on local foster/kinship/adoptive families, Mazi's Connection Collective aims to provide resources and supports for families. Currently, we run our "foster closet" and reoccurring support groups. Check out our website for more information!
